Reviews of Philip's work

"Philip Galinsky presents The Best of Craigslist, is classifiably hilarious".
 VILLAGE VOICE

"Keeps the pace fast and entertains mightly".
 NEIL GENZLINGER NEW YORK TIMES

"Philip Galinsky's Facebook Comes Alive, a one-man stage show that is dedicated to, yes, his Facebook page. But don't go in expecting a boring evening where he shows off his Farmville skills and a rundown of all the people he's poked. That's because Galinsky's stage show is a tribute to personal empowerment".
 HUFFINGTON POST

"Philip's characters are original comic monsters".
 DIRECTOR GUY SHARAR

"An energetic and fresh actor and writer".
 ELLIS HENICAN NEW YORK NEWSDAY
